DETAILED ACTION

Notice to Applicant

1. This communication is in response to the Amendment filed on 8/26/09. Claims 3, 7-43, 52-61 and 64 have been cancelled. Claims 1 and 62 have been amended. Claims 1-2, 4-6, 44-51, 62-63 and 65 are pending.

Allowable Subject Matter

2. Claims 1-2, 4-6, 44-51, 62-63 and 65 are allowed. The following is an examiner's statement of reasons for allowance and in light of Applicant's arguments.

Independent claims 1, 44, and 62 are directed to moving the prescription orders by hand to a second location within the pharmacy for manual filling upstream of the storage area, the second location having a second location tag reader in communication with the computer system; automatically detecting the presence of the prescription orders at the second location by reading the unique identifier of the remote tags with said second location tag reader regardless of the orientation of said tags and automatically recording at the computer system the location of the prescription orders at said second location for the manual filling; moving each of the prescription orders by hand to one of the compartments in the array of compartments as a filled prescription order, each compartment having a corresponding compartment tag reader that is in communication with the computer system and is operable to read the unique identifier of the tag on the filled prescription order regardless of the orientation of the tag, whereby the step of associating the unique identifier of each tag with customer

information and the step of automatically detecting the presence of the prescription orders are performed by or under control of the computer system as recited above in claims 1, 44 and 62.

Claims 2, 4-6, 45-51, 63, and 65 incorporate the features of claims 1,44 and 62 through their dependencies, and are also allowed for the same reasons given above.

The drawings filed on 11/16/00 have been acknowledged and considered by the Examiner.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
